5 Investment choices - to be completed by the guardian

5.1 About investing your contributions

We will follow your investment instructions below, but where we cannot achieve this we will hold your money as cash within your account. This form is for investing into funds and cash only. Should you wish to invest in exchange traded investments, then please specify cash at this point. Then you can use our online service at fidelity.co.uk to make your investment later.

Need help choosing funds? We've developed a range of easy options to help you choose funds to put in your Fidelity SIPP. Take a look at the guidance section of our website at fidelity.co.uk. Your investment choices below will also be used to invest any existing regular contributions made into this account.

IMPORTANT: Please ensure you include the **fund code** as your fund choice will be derived from the fund code and not the fund name. These can be found on each fund fact sheet at fidelity.co.uk

Should any of your new funds pay income, then income payments will be automatically reinvested on your account.
