3 Your investment choices

3.1 About investing the contributions

We will follow your investment instructions below, but where we cannot achieve this we will hold your money as cash within your account. This form is for investing into funds and cash only. Should you wish to invest in exchange traded investments, then please specify cash at this point. Then you can use our online service at fidelity.co.uk to make your investment later.

Need help choosing funds? We've developed a range of easy options to help you choose funds to put in your Fidelity SIPP. Take a look at the guidance section of our website at fidelity.co.uk

Please ensure you include the fund code as your fund choice will be derived from the fund code and not the fund name. These can be found on each fund fact sheet at fidelity.co.uk. If you are starting a new regular contribution we will also use your investment choices below to invest any existing regular contributions to this account.

Should any of your new funds pay income, we will follow your existing preferences for income payments on your account.
