FIL Limited was established over 40 years ago and provides asset management services to investors outside of North America. FIL Limited and its respective subsidiaries form the global investment management organisation that is commonly referred to as Fidelity International. Fidelity International only gives information on its own products and does not provide investment advice based on individual circumstances. No statements or representations made in this document are legally binding on Fidelity International. Unless otherwise stated herein all data is sourced by and the views expressed are those of Fidelity International. The views expressed herein are accurate as of the date of issue and may no longer be current and may have already been acted upon by Fidelity International.

Any service, security, investment, fund or product outlined herein may not be available to or suitable for you, and may not be available in your jurisdiction. It is your responsibility to ensure that any service, security, investment, fund or product outlined is available in your jurisdiction before any approach is made regarding that service, security, investment, fund or product. The distribution of this document may be restricted in your jurisdiction. This document does not constitute an offer or solicitation in any jurisdiction in which to make such an offer or solicitation would be unlawful and should not be relied upon by persons who do not have professional experience of participating in such offers.

Reference in this document to specific securities should not be construed as a recommendation to buy or sell these securities, but is included for the purposes of illustration only. Past performance is not a reliable indicator of future results. The value of investments and the level of income from them may go down as well as up and an investor may not get back the amount invested. Returns may increase or decrease as a result of currency fluctuations.
